NATURE AMAZES ME

Nature amazes me by its power,
brilliant colours, smart life designs,

Colourful flowers, green trees,
Singing birds, flowing rivers, and shining stars
Make me feel happy and peaceful.

It surprises me with simple daily wonders,
That calm my mind and bring, sudden joy.

The beauty and variety of nature remind me that
Our world is wonderful and worth protecting.

So 'Save Nature
Save Earth'

THE MAGIC OF BOOKS

The magic of books, take a book,
sentences are bright, words shoot the light.

A person who reads books travels earth,
A person who doesn't know its worth.

Many people judge the grades,
But the one who tries and reads always achieves.

Books are the stairs to learn,
When you achieve it's a great fun.

A book in hand,
can become best friend.

MANAGING STRESS IN STUDENT'S LIFE

A school bag looks heavy, but sometimes the heaviest load is the one we cannot see. Exams, expectations, competition and the fear of failure can silently weigh on a student's mind. The first step towards managing stress is accepting that it exists.

Sharing our worries with someone we trust can make the burden lighter. Timely planning, work and short breaks can keep pressure under control. Sports, hobbies, music and enough sleep give the mind space to breathe.

Most importantly, students should remember that marks are a measurement, not a definition of a person. A setback is not the end; it is simply a lesson on the way forward. We may not be able to remove every problem, but we can choose how we face it.

A calm mind does not mean a life without problems; it means having the strength to handle them. Let us make student's life a journey of growth, not a race for perfection.

"चाँद और सितारे"

चाँद और सितारे,
होते कैसे इतने प्यारे ।

रात में हमें सही राह दिखलाते,
सुबह होते ही गायब हो जाते ।

चाँद लुका - छिपी खेलता,
तारे टिमटिमा कर सबके चेहरे मुस्काते ।

चाँद और सितारे अंतरिक्ष में क्यों है लटके,
क्यों नहीं वह धरती पर आते ।

"अगर मैं पंछी होता"

अगर मैं पंछी होता,
उड़ - उड़ कर पूरी दुनिया देखता ।
अगर मैं पंछी होता,
सुन्दर पेड़ों पर चढ़ जाता,
मीठे फल मैं चुनकर खाता ।

अगर मैं पंछी होता,
खुले गगन में उड़ता फिरता,
दुनिया भर की सैर मैं करता ।

अगर मैं पंछी होता,
पक्षियों को मैं मित्र बनाता,
उनके साथ पूरी दुनिया घूम आता ।
